ADVANTAGES OF FEDERAL SUPPLY SCHEDULES

- Easy access to commercially available services
- Volume discount pricing
- Streamlined selection of vendors
- Multiple award for varying requirements
- Establish Blanket Purchase Agreements (BPAs) and negotiate even better pricing
- Direct contractor/customer relationship
- All applicable laws and regulations have been complied with (including small business set-aside determination)
- CBD synopsis is not required (now FedBizOpps)
- Competition requirements are met when at least three schedule contractors have been sent a RFQ
- Prices have been determined to be fair and reasonable
- In some instances, the Government credit card can be utilized when placing orders
- Maximum order limitations have been removed, replaced by large order price reduction
- Ease of ordering
- Schedule orders count toward meeting agency's small business utilization goals

authorized users

- All Federal agencies and activities in the Executive, Legislative, and Judicial branches
- Government contractors authorized in writing by a Federal agency pursuant to 41 CFR 101-26
- Mixed ownership government corporations such as the U.S. Postal Services
- Other activities and organizations authorized by statute or regulation to use GSA as a source of supply
